

4-Year-Old Preschool November 2017 Newsletter

November is here and the leaves are falling, weather is changing daily and what happened to the daylight? Winter will be here before you know it. The children looked great for the Halloween Parade and enjoyed all of the party festivities. Thank you for all of the party goodies.

This month we will be learning about Harvest time, Thanksgiving and Families. We will be talking about how the Pilgrims and American Indians started our Thanksgiving traditions. Our Thanksgiving Feast will be on Monday, November 20, 2017. The children will be Pilgrims or Indians with the hats they make in class. Each class will have a sign-up sheet for feast goodies.

The "Dinosaurs" Magic Show will be on Monday, November 13, 2017.

We plan on making a Family Scrapbook to keep in the House Area in our classrooms. The children love looking at their families and showing and sharing them with their classmates. Attached to the newsletter is a scrapbook page that we would like you to complete at home with a **FAMILY PICTURE** and fill in the information with your child. We will decorate the page in class. For any two household families we will send two pages home one for each household to make. Please return the completed Family scrapbook page to school by Thursday, November 2, 2017. We will be putting our scrapbook together Friday, November 3, 2017.

We will continue the Family Theme, Holidays, cultures and traditions in December. We would love to learn about any special Holidays, traditions, songs or recipes your family would like to teach or share with our classes in December.

Attached to this newsletter are the goals that the Plymouth Canton School district feels children need to be prepared for Kindergarten. We will continue working on these skills in class and hope you will work on them at home as well.

If possible, when they come out in the stores, can you please send in a toy catalog/flyer for us to cut up and attach to a letter for Santa? This project gets done the first week in DECEMBER. (Thank you!!)

Please update your child's spare clothes in their cubbies, as they are growing and may not be weather appropriate.

Happy Thanksgiving,

Miss Carrie, Miss Erica, Miss Jackie, Miss Michele, and Miss Cheryl
