

SEPTEMBER 2010 NEWS LETTER

Wow! Summer went by so fast. We had a great summer camp. Both the kids and teachers enjoyed themselves with all the fun activities they had going on. Now, all the craziness of life kicks back in with the school year starting. The Rosey spray park is officially closed for the school year. Don't forget high school traffic starts back up on Tuesday, Sept. 7th from 6:50AM until about 7:10AM.

September also starts the new sign up for all of our extra programs; French, Spanish, Tumbling, Karate and Soccer. There are sign-up lists posted in the hall across from the office for signing up your child. Also in September the Dinner Menu returns. Cellar Door Catering will be starting up their dinner menus the week of September 13, 2010. We are looking forward to not having to cook dinner at home and for some exciting new dinner ideas.

We have a new French Teacher, Madame Katie. Madame Magali will be moving to Mexico for her husband's work. We will miss her but Madame Katie is very well versed in French and has been teaching for a few years. She has planned a fun year of teaching for the kids. Martha will be back to teach Spanish in September.

Once again we will be offering the flu clinic to anyone interested. The CDC is suggesting getting the flu shots ASAP this year. There will be one shot which will cover the seasonal flu and the H1N1 virus this season. It will take two doses (given 4 weeks apart). It is important to immunize in an effort to prevent the spread of disease. The cost of the vaccine is \$25.00 per visit. Some insurance companies are paying for the vaccine such as, Medicare, HAP, Blue Care Network, Priority Health and some Caremark plans. Please bring your insurance card with you to the clinic. You will also need to fill out consent forms and bring a valid identification in the form of a driver's license/state ID card. We have set October 12th for the first dose of flu vaccines. We will post a sign-up sheet shortly.

I am not sure if anyone has ever taken a walk behind the building but we have a little nature trail back there. Bri has applied for a Certificate of Achievement from the National Wildlife Federation and we are now confirmed as a Certified Wildlife Habitat. We have been recognized for protecting and nurturing wildlife in our yard. You are welcome at any time to take a walk back there.

I want to remind everyone to make sure your child has a complete set of clothes in their cubby. Please make sure they are weather appropriate. Kids of all ages have accidents and it is very embarrassing for them to not have anything to change into. We do not have extra clothes to lend them.

September is also the month we charge our annual registration fee. Anyone who was registered before January 1, 2010 will be charged the annual fee. This fee will be charged the week of September 13th.

All class registration forms are on the bulletin board "Rosey's Special Classes" for you to register your child and an envelope is provided for your checks. These are great programs for the kids and the soccer is a great exercise program for them also. We are always trying to educate the kids on nutrition and exercise to ward off the epidemic of childhood obesity. We have a soccer field in the back behind the basketball court that is used for their soccer class.

The weekly lunch and dinner menus are posted in the building and are also on our website: www.roseysromperroom.com so you always check what is being served. Once again, we are very nutrition conscious so food is served in the recommended proportions. Nothing is ever fried and all snacks are healthy ones.

If you have any questions or concerns, please do not hesitate to stop in the office and see one of us; or if you just want to chat we would love to see you.

One more reminder, the Annual Breakfast with Santa will be held on Saturday, December 11th at 9:00AM at the Plymouth Cultural Center. We will give more information as it gets closer but please mark you calendars so everyone can attend.

Thank you for letting us share in your child's life.
