

March Newsletter

The month of March brings shamrocks and leprechauns. This month we will celebrate and learn about St. Patrick's Day. We have many fun activities planned for this month. We will be doing a lot of hands on activities. March also brings us the first day of spring! We can't wait! We are all ready for some nice weather after this winter we've had. We have a lot of fun spring and flower activities planned for the end of the month. We also have some Easter activities planned during the last week in March.

We want to give a special thank you to all of the parents that brought in treats and special things for our Valentine's Day party. The children had a great time. They love having parties and special treats. It was a lot of fun. Thank you for making it so special.

Please remember to keep your child's cubby stocked with a spare full set of extra clothing. This is a potty training room and accidents can occur quite frequently. It is important that we always have extra clothes for them. Also, attached to this letter is a copy of our sick policy. You received a copy of this when you enrolled your child at the center, this is just a reminder, since that may have been quite some time ago.

We thank you for taking the time to read our newsletter. As always, if you have any questions regarding what we will be doing this month, or any other questions, please feel free to come and talk to one of us.

Thank you,
Preschool Prep/33 Month
