

JUNE 2010 SOUTH LYON NEWSLETTER

Wow, summer came fast! I am sure we are all looking forward to a fun filled summer. We are in the process of getting a quote on the water pad. We hope to get it fixed as soon as possible. The teachers will be planning some fun in the sun projects for the summer.

Our four year olds will be graduating on Friday, June 18th. Rosey's will provide a special lunch and desert for the graduates. Ms. Nicole will be hosting the celebration. This is a very special day for Ms. Nicole and the kids.

Please make sure to turn in any vacation requests with a two week notice. If your child is ill or just out for a day please call and let us know not to expect them.

Our teachers at Rosey's are very dedicated to the care of your child/children. If you have any questions or concerns, please do not hesitate to ask one of them.

Our next news letter will be in August. If there are any news events, we will be sure to contact everyone.

Have a great summer!

Rosey
